

Post-Conference FAQ Document
October 2024 Statewide Capacity Building Conference
Location: Embassy Suites, Frisco TX

Thank you for attending the October 2024 Statewide Capacity Building Conference. Below are responses to attendee questions that were not addressed during the conference. For further details, please email the Pre-ETS Mailbox with Texas Workforce Solutions Vocational Rehabilitation Services at vr.pre-ets@twc.texas.gov.

1. Are there training resources about Competitive Integrated Employment available for ISD partners?

Yes, training resources are available on the [Texas Workforce Commission's Vocational Rehabilitation Provider Resources](#) page. Under the "On Demand Webinars" section, you will find a [Competitive Integrated Employment webinar](#) (link provided).

2. Were outcomes related to Pre-ETS services or the number of students served tracked as a deliverable for the Capacity Building Project?

No, these specific outcomes were not tracked as deliverables for the Capacity Building Project.

3. Can the Hindrance to Employment Checklist include information on how completing chores at home demonstrates work skills for students?

Yes, this addition has been made. The updated Combined Assessing Student Needs document, reflecting this request, is included with the post-conference materials.

4. Will information be shared on current Group Skills Trainings (GSTs) that partner with local universities for college tours and presentations on post-secondary opportunities?

Yes, a project is underway to gather and share information about these Group Skills Trainings (GSTs) to promote statewide replication. Regions will receive this information later in the fiscal year.
